

**Remarks**

Claims 1-6 are pending in this application.

Claims 1 and 2 have been amended to correct the informalities noted by the Examiner in paragraphs 6 and 7 of the Office Action and to overcome the rejection under 35 USC §112 explained in paragraph 9.

The drawing has been amended, and proper headings have been provided, so that all of the objections raised have been addressed.

In view of the fact that all of the Examiner's comments have been addressed, this application should now be in condition for allowance. Such action is solicited.
